RENTAL PLAN

All initial rental plans are very similar. Some monthly fees are a little more, some are a little less. What separates these plans is what happens after the initial rental. Daybreak has designed the easiest plan and the lowest total cost available.

COMPARE THESE FEATURES:

- ✓ RATES TO FIT YOUR BUDGET
You may rent an instrument other than a new one at a lower payment. This is a unique feature at Daybreak.
- ✓ RENTAL FEES APPLY TO PURCHASE
All ON-TIME payments are deducted from the balance.
- ✓ NO INTEREST - EVER
Even after 9 or 18 months, the rate stays the same with no interest.
- ✓ NO PAYMENT INCREASES - EVER
- ✓ 30% PURCHASE DISCOUNT ANY TIME
Any time you wish to purchase, you may deduct 30% from the balance. You may also rent until the instrument is paid for.
- ✓ BUY-BACK GUARANTEE
Daybreak guarantees that we will buy the instrument back at the current Blue Book dealer value.
- ✓ INSTRUMENT EXCHANGE
If the original instrument does not appeal to the student, you may switch to another instrument at no charge.
